Message from Supervisor

Dear Josephians & Distinguished Guests,

A warm welcome to our Annual Academic Prize-giving Day!

Thank you for coming to celebrate and give recognition to our students who have excelled in the academic field. We are proud that these Josephians have put in so much effort and hard work in their pursuit of academic excellence. The prizes they receive today are just a small token of encouragement on the part of the school to show that she acknowledges students' diligence in their studies and is in the hope that they will continue to push their academic boundaries further and bring about some good to society with this knowledge.

Of course, let us not forget that God is always the main source of our wisdom and only He can grant us this great gift to complement the knowledge that we acquire. As Josephians, we are reminded that we have a duty to uplift the lives of the poor and the less privileged.

Today, we are honoured to have one of our distinguished alumni, PROFESSOR LEE CHACK FAN, class of '63 to be our Guest-of-Honour. Professor Lee is a distinguished professor of geotechnical engineering and a renowned leader in Hong Kong's higher education sector. He has worked on hydropower, energy, and transportation projects in Canada and China for over 40 years, including projects like the Three Gorges, Ertan and Lijiaxia. He is the author of over 300 engineering publications and some 20 literary books. He is currently an Emeritus Professor and Deputy Chairman of the HKU Foundation. We thank Professor Lee for taking time out of his busy schedule to celebrate this occasion with Josephians.

I would also like to take this opportunity to thank Ms. Suen Lam, Andrew Lau (5F), all supporting teachers, and the Value Education and Academic Promotion Team for organizing today's event so efficiently. God bless.

Live Jesus in our hearts!

Brother Jeffrey Chan, FSC

Message from Principal

Dear Brother Jeffrey, Prof. Lee, Teachers, Parents, and Josephians,

Good morning. I am most delighted to welcome you all to our Annual Academic Prize Giving Day 2021 to acknowledge and celebrate our students' academic achievements and accomplishments.

Last academic year was yet another trying year. Despite the disruptions to our everyday life, our boys managed to continue their best efforts striving for academic excellence under the new normal. With extraordinary commitment, their hard work and dedication are finally paying off. My warmest congratulations to the prize winners for their successes!

Speaking of commitment, I would like to share with you today my recent achievement. In support of the upcoming Swimathon 2021, I pledged myself to swim for an hour in the South China Athletic Association in mid-August. To better prepare myself, I had been practising hard before and after work in the previous few months. To be honest, the training was not easy at all. But I have never thought of giving up midway. In the end, I made it through to the finish line by swimming 50 laps of 25 metres continuously for an hour and raised over one million dollars for the school's redevelopment project. Josephians, never give up! We can always better ourselves!

I am honoured to have invited Professor Lee Chack Fan, as our Guest-of-Honour today. Prof. Lee is a prominent old boy from the class of 1963 who specialized in engineering. He is an academician of the Chinese Academy of Engineering and has made significant contributions over the years. Not only did he teach at the University of Toronto and worked on electrical power projects in Canada for some twenty years, but also he served as Chair Professor and Pro-Vice-Chancellor of the University of Hong Kong, and participated in the feasibility study, design and construction of various water resources, electrical power, and infrastructure projects in China, including the Three Gorges Project and others. I hope our students would follow in the footsteps of Prof. Lee and contribute to the well-being of mankind aside from pursuing academic excellence.

Today's APG is a great success. I would like to take this opportunity to thank the teacher adviser, Miss Suen and other staff members who made concerted efforts in preparing for today's occasion. I also wish to thank Andrew Lau (5F), the Chief Organizer and all members of the Value Education and Academic Promotion Team for their substantial contributions to the success of today's ceremony.

Finally, I wish you good health and happiness in the years to come.

Best wishes,
YF Wong
Principal

Message from Guest-of-Honour

Dear Fellow Josephians,

Our heartiest congratulations to all the awardees this year, for their hard work, their outstanding achievements, and their exemplary performance as Josephians. We are so happy for them, and so proud of them. They represent our new generation of rising stars, in keeping with the Josephians tradition of excellence in school, along with leadership and a strong commitment to serving our community in the years to follow.

And yes, this is the long-standing tradition and well-recognized reputation of our Josephian education, for almost a century and a half now. Receiving such an education is, to many Josephians like myself and my classmates, a blessing and a priceless gift of a lifetime. Years after, when you look back, you will appreciate how such an education has shaped your life and has motivated you to a high level of excellence, success, and meaningful consideration to society. Thus, to this date, my many classmates and schoolmates still speak fondly and proudly of this experience.

Our salute, therefore, to our dear Supervisor, our Principal, and our team of highly dedicated teachers, for striving and working so hard to uphold the high standard and value of Josephian education.

Prof. Lee Chack Fan
Class of '63

School Song

All through our College a voice is resounding;
Promptly respond to your duty's clear call;
Harken you all for the trumpet is sounding:
Your Mater's proclaiming her watchword to all. **(Chorus)**

“Labour and Virtue” your motto still bearing,
Forward with courage in ways that are just;
True to your standard be doing and daring,
As faithful Josephians in Heaven you trust. **(Chorus)**

Onward and upward in life's earnest battle,
Joyously bearing the brunt of the fight,
Nobly forgiving for aught that may pain you,
And bravely defending the cause of the right. **(Chorus)**

Lift up your hearts for a Kingdom awaits you,
Honour and virtue with courage defend;
Serve Him in life who in death can reward you,
And vow to be faithful and true to the end. **(Chorus)**

(CHORUS)

Forward, nor flinch nor fear,
Ever with hearts sincere,
Render with joy to your Mater her due;
All that is vile reject; Heaven will e'er protect,
Sons of St. Joseph's valiant and true.

SJC Academic Honour Roll 2021

SJC Foundation was established in late 2004 to mark the 130th Anniversary of the College. The purpose of its formation was to raise funds for school improvement and advancement in the teaching and learning capacity of both St. Joseph's College and St. Joseph's Primary School. The Board of Trustees is chaired by distinguished old boy Dr Sir David Li Kwok Po GBM, GBS, JP along with a group of prominent old boys from different sectors of society.

The SJC Foundation prides itself on the excellent academic achievements of our students in the very competitive Hong Kong Diploma of Secondary Education Examination (HKDSE). The graduation of these outstanding scholars from our Josephian education signifies their elevation to the more intellectually challenging university life. This year, the foundation formally honours 20 top scholars on their excellent results by their admission to the SJC Academic Honour Roll and would encourage younger SJC students to persevere in their efforts as they approach the HKDSE.
